Fall Stockdog Trials

ASCA sanctioning pending

September 10 - 13, 2009

Judge: Joan Carillo

a.m. & p.m. Trials sanctioned, depending on availability of judge and stock
40 runs per day possible
same dog can only run twice in same class a day when runs are available on day of trial

Attention:

Please stay with your dogs on the roads in the wood and do not let them run in the wood!
The wood AND also the road behind the trial arena are private property. We have been asked to make
sure that people do not walk through the wood with their dogs.

We are reliable on the good will of the owner who allows people to drive to the trial ground and also
park there on the road.

And we also have to live here and we really want to keep the good relationship.

Directions

Autobahn A3 from north:

take exit „Hösbach/Mömbris/Schöllkrippen/Laufach“.

At the first traffic light turn right; after several 100 m you see a sign (yellow) on your right: „Haibach / Winzenhohl“; turn right here;

stay on that road until you come to our village “Winzenhohl”; stay on that road still; you will see a wooden stable on your right with a sign on it saying: “LZ Lorenz Zilch”...voila...you are there!

Probably we are already in the herding arena.

You walk with your dog up the hill. Its right there on top of the hill.

Or you drive through the village and turn right after the last house on the right side; there is a small “street” leading into the forest, turn right and follow the path parallel to the pasture.
