e-mail: [cczieszo@t-online.de](mailto:cczieszo@t-online.de)

**Goats:** 6-10 goats per run; 25 runs possible

The running order will be done before the trial. Also at what day the judges will judge.

Bitches in heat run last and must be kept away from the trial field while not trialing.

The trial is open to all herding breeds.

Where?: Auf der Viehweide, 78183 Mundelfingen/Germany

Handlers meeting: 08.30 am

**Food/Beverages:** Michael Birk, our host, will provide food and beverage these days.

He is not charging anything for the goats, so it would be nice if he could make some business here.

**Tasks for started / advanced / the course could change a little bit:**

1. Sort 6 goats out of 10
2. **Drive**/Fetch for about 30m to the post 1 / “Go Bye” around it and back to the corridor, near to the pens and drive all goats through it.
3. **Drive**/Fetch to the trial field two (through gate)
4. **Drive**/Fetch to the post 1 and leave the goats with the stock handler for started (Outrun 30m) / **and advanced to post 2 (Outrun 60m)** and than lift, fetch to the handler
5. Fetch/**Drive** to the pen at the end of the arena
6. Pen all the goats and take them out again afterwards
7. **Drive**/Fetch the goats back to the first trial field through the gate
8. **Maltese cross** strait trough it / **in the middle, turn goats to the left in the Maltese cross**
9. Load the goats in a trailer, take the goats out of the trailer and pen them

The time span will be announced shortly before the trial.

**Entries will be taken by postmark, starting May 17, 2010.**
