

Herding clinic with Sandra Zilch

We are very thrilled that Sandra Zilch from Germany is coming to give a herding clinic at our place in August 2018.

Sandra is an ASCA Stockdog Judge and owner of kennel S Bar L (<http://www.sbarlaussies.de>) and has had Australian Shepherds for over 25 years.

The training given at our place will be on sheep, we have different pens and grounds that we will be able to work on. The individual training will be adapted to the level that the dog and handler are at, so all dogs and handlers are welcome to join, no matter previous experiences.
